An enlarged and very detailed section through the right half of the brain including a portion of the skull. The pia mater has been removed. It is double sided and finely coloured. One surface is on the median line, including a section of the falx cerebri. A sagittal cut on the reverse exposes the lateral ventricle. There are 49 references on the model, identified on an accompanying key card. Mounted on a stand. Size: 25 x 18 x 12 cm.
