Expansion demountable fuel cell (for Science Kit Basic)

Order code: **5502.353**

Information about product price on demand

Parameters

Subject Fuel cells and "H" technology

Quantitative unit

The demountable fuel cell is the ideal expansion for the Science Kit Basic. With it, students will learn about the structure of fuel cells and their components.

Key data:

- $\bullet \;$ Introduction to the structure and operation of fuel cells
- Investigate the components of fuel cells
- Enables fuel cell stacking (requires the Science Kit Basic)

Components:

• 1× Demountable fuel cell
