Painted spines add a new dimension to demonstrations. Muscle origins (red) and insertions (blue) are painted on left innominate, femur and vertebrae of spine. This spine is not only an extremely good value but the spine is also durable. The following features are found on this spine model:

- Full pelvis and occipital plate
- Spine fully flexible mounted
- L3-L4 disc prolapsed on spine
- Spinal nerve exits
- Cervical vertebral artery
- Male pelvis
- With movable mounted femur heads

Stand is not included with spine.
