These visual aids have been developed specifically to enhance instruction and study of anterior and posterior heart and lung auscultation site locations. The posters are laminated and perfect for mounting in a classroom or skills lab. The tablet is a cost-effective handout that can

be given to each student. Includes Anterior Heart & Lung Sites poster (LF00680), Posterior Lung Sites poster (LF00681), and Heart & Lung Sites and Sounds tablet (LF00682). These teaching aids will enhance auscultation education.
