A model of a female German Shepherd Dog made on a scale of about 2/3 of its natural dimensions. The model can be divided in the sagittal plane into two halves. One side of the model shows the animal's muscles in detail, while the other shows the hair. The whole is assembled on a base with wheels.

The model can be divided into a total of 11 parts:

- Lung
- Stomach (2 parts)
- Heart (2 parts)
- Left forelimb
- Tail
- Liver
- Intestines
- 1 half (muscle)
- 1 half (outer part / hair)
